

# **Totals of victims and survivors of massive HRVs committed during the 1973-1990 dictatorship officially recognised by the Chilean state**

*Figures at October 2011  
Document last modified August 2013*

# Official totals,\* over time, of disappeared persons and victims of political execution

**1991 Rettig**  
2,298 people

**1996 CNRR** (completion of outstanding Rettig case evaluations)  
3,195 people

**2007 – 2009 Corrections**  
3,186 people

**2011 “Valech 2”**  
3,216 people\*\*

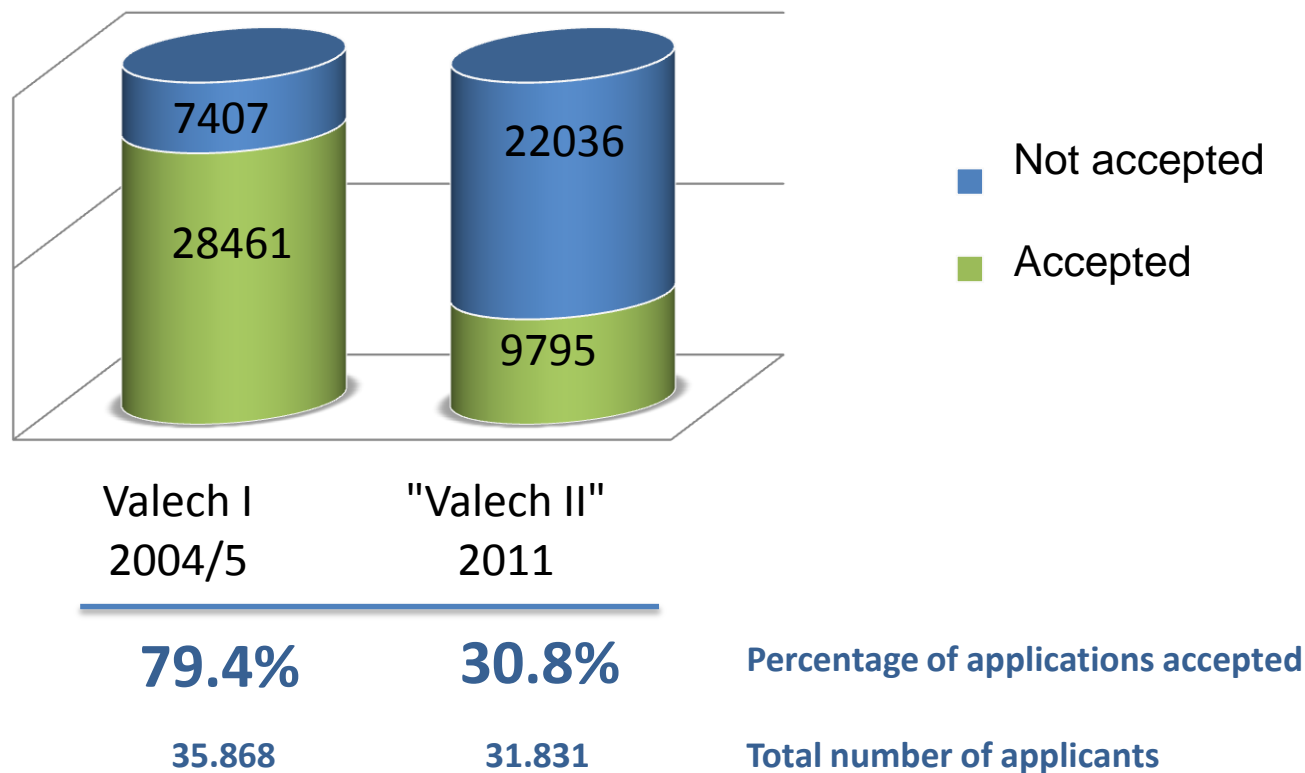

\*As there is no state institution currently charged with maintaining an up to date victim register, official totals published by each truth commission have not been formally rectified to reflect these changes

\*\* Two of whom later appeared, alive, in Argentina, as ‘recovered grandchildren’ (victims of forcible adoption) located by Abuelas de la Plaza de Mayo in February 2000 (Claudia Poblete ) and July 2013 (Pablo Athanasiu)

# Official totals, over time, of survivors of political imprisonment and torture

- **2004/5 Valech I**  
28,459 people
- **2011 “Valech II”**  
Adds 9,795 additional people
- **Final Total 2011**  
38,254 personas

## Rates of recognition of survivors by the two iterations of the Valech commission
